Hi Marilyn

We've known each other since we started to school. We did so much together it's hard to write down the fun we had. Remember the time Mary, you and me went to the lake on a summer afternoon. It a kind of fun that you can not have every day. Also the time on got the car and we went to town, we drove up and down main street. Oh! those green cars. Remember when you was going to learn to ride a bicycle and ended up going head over heel in the ditch. Oh well just another day. Also the time of the grade went to a circus in Sioux Falls. [redacted] That night we was in Madison walking about when Gary and Howard ask us to ride around with them for awhile, and you got in on the wrong side. Then they took us up to thrill hill. Remember the Prep Rally last year and this boy, that you are still crazy about ask you to go with him but no you had to go with Rudy and Lyle and me home. Also the time of the glade roller skates we alway went together. Then when we went to the gr. Sr. Prom together as Waiters when we were Sophomores. Then we went to town and talk to many difference people Then when we were Junior we did same thing. But this year for gr. Sr. Prom let stick together and go to Delle. This is are last year. We both have not have date so let go to Dells and spent our last part of year. Please! let go together. One friend to other. There is many thing that we did put I have not the space to write them but I hope you remember them just the same as the Senior Slumber, trips when Junior and your wonderful patients in helping me with my spelling, Thank you. Also our plays.

You have been the most wonderful person I have ever know. You a girl I'll never forget no matter who or what is between us. Their many be million of mile but you will always be in my heart. No one could ask for a better friend. When I have a problem, who want to hear them. You, and always help and not let me stand only you the most and I mean it from bottom of my heart. I don't know how God could bless me with a friend like you. It's the only happiness that I enjoy for the rest my life. Though we're going to different school may not always be friend. Your Classmate and friend Lyla.

See you in Dells.

Dear Marilyn,
Hope you remember all the fun we had at Franklin High, and riding in that dusty bus. Good luck to you in the future.

MRS. G. W. SCHRANTZ

MRS. GORDON BOHL

YES, IT IS UNUSUAL TO DEDICATE A YEARBOOK TO MORE THAN ONE PERSON AT A TIME. HOWEVER, THESE TWO CONSISTENTLY CAME OUT AT THE TOP OF ALL FLYER DISCUSSIONS, CANDIDACY RATINGS, AND POLLS. OBVIOUSLY THERE WAS BUT ONE THING TO DO---AND WE DID IT! IT GIVES US GREAT PLEASURE TO DEDICATE THE 1959 FLYER TO MRS. G. W. SCHRANTZ AND TO MRS. GORDON BOHL, MUCH LOVED AND RESPECTED MEMBERS OF OUR FACULTY.

MRS. SCHRANTZ HAS SERVED AS HOME ECONOMICS INSTRUCTOR FOR THE PAST FIVE YEARS IN OUR SCHOOL. MRS. BOHL JOINED THE FACULTY SEVEN YEARS AGO AND HAS BEEN OUR DIRECTOR OF MUSIC DURING THIS TIME. THEY HAVE COLLECTED A HOST OF FRIENDS THROUGHOUT THE YEARS. WE THE SENIOR CLASS OF '59 ARE PROUD TO DEDICATE THIS ANNUAL TO MRS. BOHL AND MRS. SCHRANTZ.

Dear Marilyn -
Lots of luck to a very nice girl. I have enjoyed working with you very much. Keep singing.

Class History

One sunny day in September 1947, 15 anxious little boys and girls began their long journey of education in Franklin School. They were Marilyn Arke, Vern Scheafer, Marilyn Mergen, Ruth Rath, Richard Jacobs, Judy Augustad, Lorraine Dahmen, Dean Lefer, Gary Peterson, Jim Fods, Bob Brummel, Newell Ordal, Judy Church, Lois Hass, and Jerry McAllister. Our teacher was Miss Carol Weber.

We started our second grade with the addition of Henrietta Hoek. Miss Weber again was our teacher, but we were sorry to leave behind Gary Peterson and Dean Lefer who could not keep up with us. We also lost Lorraine Dahmen and Jerry McAllister who moved away in February and March.

In the third grade we were fortunate to gain Barbara Huls, Verdonna Williams, Dick Foster, Margaret Jandl, and Larry Arneson. Miss Dona Keiner was our teacher.

Mrs. Mullany taught us in the fourth grade. This year we lost Judy Church who joined the class behind us. The number of our class was increased with two newcomers, Lyle and Lyla Muth, later on in the year Loren Skinner also joined us.

We started the fifth grade with the same faces except for Ruth Rath and Bob Brummel who moved away during the summer. This left us with Marilyn Arke, Vern Scheafer, Marilyn Mergen, Richard Jacobs, Judy Augustad, Jim Fods, Newell Ordal, Lois Hass, Henrietta Hoek, Barbara Huls, Verdonna Williams, Dick Foster, Margaret Jandl, Lyle Muth, Lyla Muth, Loren Skinner, and Larry Arneson. Larry left in February. Our teacher this year was Mrs. Smith.

As our class advanced another step to the sixth grade with Mrs. Smith as our teacher, we were happy to gain Ruth Rath and James Hymans. .But later on in the year Barbara Huls moved to Brandon.

Dick Foster and Loren Skinner left us and Connie Vogt joined us as we entered the seventh grade leaving the total number of 16. But this number was increased to one more when Rudy Bargmann joined us in March. Mrs. Glenn Granflaten was our teacher this year.

As we entered the eighth grade we found we were getting closer and closer to high school. During the year Toiny Piehl joined us. As this year came to a close with Mrs. Granflaten as our teacher, it ended the happy years of our grade school. We graduated with 18 members.

In the fall of 1955 Marilyn Arke, Vern Scheafer, Marilyn Mergen, Ruth Rath, Richard Jacobs, Judy Augustad, Jim Fods, Margaret Jandl, Connie Vogt, Lyla Muth, Lyle Muth, Verdonna Williams, Lois Hass, Rudy Bargmann, Newell Ordal, James Hymans, Andy Bos, Paul McAreavey, Dick Foster, and Harvey Mathius entered Franklin High School. The new members who joined us were Andy, Paul, Dick, and Harvey. Toiny Peihl and Henrietta Hoek moved away and after a few weeks Harvey Mathius decided to quit,

The summer before our sophomore year Andy Bos moved to Colman, and in the middle of the year Ruth Rath left us.

As we entered our junior year we realized that our goal was nearing.We were unfortunate to lose several members of our class this year. Vern Scheafer and Connie Vogt went to Colton School, Margaret Jandl decided to become a working girl and Jim Fods thought he had enough schooling.

We lost Judy Augustad in the summer, but gained Toiny Piehl, a transfer student from Madison Central in December. There are now 13 in the Senior Class. They are Marilyn Arke, Rudy Bargmann, James Hymans, Lois Hass, Richard Jacobs, Paul McAreavey, Marilyn Mergen, Lyla Muth, Lyle Muth, Newell Ordal, Verdonna Williams, Toiny Piehl, and Dick Foster.

Class Will

We, the Senior Class, being remarkably brilliant, unusually talented, and endowed with outstanding abilities do establish this our last will and testament:

We, the Senior Class of '59, will to the music department all busted music stands, torn sheet music, busted horns, out of tune pianos, and reserve the right to carry the pianos from the auditorium to the music room to anyone who wants it.

We, the Senior Class of '59, will to the athletic department all our old tennis shoes, dirty socks, busted shoestrings, filthy showers, spilled foot powder, and reserve the right to leave the showers running to anyone that wants Bill S. on their neck.

We, the Senior Class of '59, will to the faculty all torn books, false excuses to get out of class, crib notes, writing on the walls, spilled ink, flunked tests, and anything else we've forgotten to mention.

We, the Senior Class of '59, will to our fellow students the bars on the windows, gum under the desks, our ability to get along with the teachers, our skill to stay out of school and miss for no reason at all, and also leave to the incoming Freshman Class the dreadful four years of school in front of them.

I, Marilyn Arke, will my giggle to Mr. Conway.
I, Lyle Muth, will my ability to stay home to Dick Ordal.
I, Rudy Bargmann, will my ability to go to town every night to Tim Mc.
I, Newell Ordal, will the money I spent on Mad Magazines to Mr. Moose.
I, Richard Jacobs, will my ability to get into trouble to anybody that wants to have as much fun as I have had.
I, Paul McAreavey, will my ability to go with Madison girls to Darrel Williams and Paul Oltmann.
I, Verdonna Williams, will my Friday nights to Frances B.
I, Lyla Muth, will my perfect attendance to basketball games to Sharon Crelly.
I, Dick Foster, will my tuba to Joe Piehl.
I, Lois Hass, will my height to Harlene Lunt.
I, James Hymans, will my thirty mile daily bus ride to Ronnie S. May he have as much fun as I have had.
I, Marilyn Mergen, will my quiet ways to Sharyl Fods.
I, Toiny Piehl, will my extra study halls to Dennis Degen so he will have more time to check out.

We hereby constitute and appoint the said superintendent sole executive of the last will and testament.

In witness whereof, we, the Senior Class of 1959, seal this the 14th of May in the year of our Lord, one thousand nine hundred and fifty-nine.

Class Prophecies

It was a cold, foggy day in 1969, when Dick Foster and Verdonna Williams decided they would take a drive to up-state New York. Dick, who is the conductor for the Boston Symphony Orchestra, and Verdonna, who is his private secretary, climbed into Dick's big black Caddy and headed north. After driving for some time they came upon a swanky, new, night club. They decided to go in and look around.

As they entered they were greeted by a pair of very familiar faces, Paul McAreavey and "Uncle" Rudy Bargmann. They explained they had bought the club soon after graduation from Franklin. They had tried other businesses but for some reason they seemed to have a knack for night clubing.

As Dick and Verdonna went back to eat, there came from outside the roar of an engine and the squealing of tires and through the door strolled Richard Jacobs. Jake spied Dick and Verdonna and started talking over old times. He informed them that he had taken the World Champion Sports Car Driving title again this year and was planning a little party. They remembered some of his parties so they decided to stick around. Jake ordered some "refreshments" from the hostess, Toiny Piehl. Toiny had worked there for two years now.

Whistles and heavy breathing arose from the males standing in a somewhat vertical position around the room as the famous model for Harper's Bazaar Magazine, Lois Hass made her heart-stopping entrance. Lois was wearing one of her latest fashions from her salon in Paris.

Lois was soon joined by James Hymans, who owns a 30,000 acre cattle ranch in Texas that borders his 20,000 acres of oil wells. When asked what he was doing in New York, James said he was trying to put over a deal to buy Lake Erie for a swimming pool.

The next person to enter was no one else than Marilyn Mergen. She came over to join the happy, carefree, fun loving, little group with her husband, Prince Ivan Hadenough. She was now the Ambassador to Monaco and she and her Prince take a vacation every two weeks, for two weeks.

The pitter-patter of little basketballs came drifting over to the booth, that was becoming quite crowded by this time, and as the people looked up, a ball went sailing through the air and right into a chandelier. Close behind was Lyle Muth. He said, from his vantage point in the chandelier, that he was coach, prompter, owner, and played guard on weekends for the World Champion Basketball team that traveled under the name of Muth's Goof's. As in high school, Lyle had to leave early because of his strict training rules.

Verdonna looked around and saw a lady sitting at the far end with a veil over her face. She looked faintly like Lyla Muth. She stole over and sure enough, it was Lyla. She said that she was a school-teacher and had to disguise herself to have a little fun so her darling pupils wouldn't notice her. How times have changed!

As by now the boisterous bunch was getting sloped, the curtain for the floor show went up. And there on the stage was the former editor of Mad Magazine, now turned comedian, "Nuts" Newell Ordal.

The next performance was more a shock than a surprise. Slinking from behind the curtain came Marilyn Arke, better known as the "Green Hornet." No one recognized her because, as she explained later, she had gone on a diet. She explained she had gotten tired of people looking at her and saying, "Mmmmm boy! But you are a fat one!!"

The party broke up two days later because a few of the people just had to get back to their own "haunts". But all agreed that they would be at the next reunion to be held once every year for six months!

Class Poem

Introducing the Senior Class
Come one, come all, come lad and lass
Seven boys handsome, six girls sweet,
Make up the class you're about to meet.

Richard was our basketball center,
In mischief he's the full inventor.
The chief class pest so the girls say,
But his ideal girl is down Colton way.

Marilyn Arke is a maiden fair,
And possesses a giggle that's oh so rare.
Talented, friendly, and oh so gay
She makes for everyone a happy day.

Rudy is what we call dizzy,
The city of Madison he keeps busy.
A speeding car he likes to drive,
It's really a wonder that he's alive.

Lois is one who's full of pep
When it comes to cheering she's really hep.
A sweet personality, one of the best,
We're sure that she will pass the test.

Dick is a very talented guy,
In all types of music he rates high;
He never took part in any gym,
But a successful future lies ahead of him.

Marilyn Mergen is next in line
As a friend she's really fine
In classes she has little to say,
But does her work in a quiet way.

Newell Ordal is quite a guy
Always happy without a sigh.
Never a dull moment when he's around
If there is mischief to be found.

Verdonna is a blue eyed lass
Was DAR of the Senior Class
Of all the things she has to say
She says them in the kindest way.

Lyle's a dark complected man,
Who helps you out whenever he can.
He measured five feet nine inches tall,
And is really handy with a basketball.

Lyla Muth is always gay,
Sometimes quiet with little to say,
She makes sure her work is done,
And then has fun with everyone.

Next down the line is Paul
Who's great at playing basketball;
In the future he plans to go to college
To add to his great store of knowledge.

As a student at Franklin she is new,
But to everyone she's a friend so true,
Everything Toiny does is done well,
In future years we know she'll excel.

James is a quiet lad
Who's always happy - never sad.
He never has too much to say,
But we all like him just that way.

Now it's time to say farewell,
What the future holds we cannot tell,
This final parting brings a tear
As we leave behind our friends so dear.

Hi Marilyn,

Well, everybody's feeling so bad that it's hard to write anything. I just can't get over how fast high school has gone. But I'm sure you'll like college and will probably have more fun. I'm sure you'll succeed in whatever you choose to do. I'll always remember the play practices, music contest, slumber parties and etc. We'll all go our separate ways but I hope will be able to keep in touch throughout our life. There isn't much that hasn't already been said, but we're all thinking of how we'll all change. Lots of Luck to a sweet kid and a marvelous singer.

Good luck
